WORK EXPERIENCE

BRIC Architecture Inc.

Architecture Intern

Portland, OR

May 2024 – Aug 2024

- Created visual narrative for Oregon School for the Deaf via experiential perspective graphics focusing on students' journey to help city authorities envision future impacts for funding. Materials can be reformatted for pamphlets, social media, and websites.
- Utilized REVIT-Rhino-Climate Studio workflow to complete a series of simulations (sDA, ASE, Lux) for 12+ spaces across 3 floors and 3 courtyards; suggested methods to improve daylighting condition; created report to present & share results with team.
- Collaborated with 3 interns to develop an architecture curriculum for 6 elementaries to be used in equity commissioning process; presented to clients to convince importance.
- Utilized REVIT-Enscape-AI workflow to create street view renders for client meetings, SD package, and student engagement. Created slides for steering committee review.

SIA Design

Architecture Intern

Fuzhou, China

Jul 2023 – Aug 2023

- Collaborated with R&D group of 8 members to create graphics, text, and layout for 4 rounds of campaigns involving 3 projects for 2 real estate companies.
- Researched 50+ real estate projects to develop categorized competitor products, aiding design decisions.
- Utilized Adobe Suite and Office Suite for graphic design, content creation & project management tasks.
- Created mater plan, façade elevations, plan & sectional detail technical drawings.

Cornell AAP Digital Fabrication Lab

Assistant

Ithaca, NY

Feb 2024 – now

- Set up machinery, resolve technical issues to assist students using laser cutter and Prusa 3D printers.

ADDITIONAL EXPERIENCE

NOMAS Competition – 3rd Place

Video & Narrative Team

Ithaca, NY

June 2024 – October 2024

NOMA PDX Project Pipeline

Volunteer

Portland, OR

June 2024

- Guided a total of 12 students aged 10-12 to work through activities including site visits, sketch drawings, collages, program exploration, model construction, and presentation during 3-day camp.

Cornell AAP Association

Co-Director of Design

Ithaca, NY

Sept 2023 – May 2024

- Via weekly meetings, led the design of 3 pamphlets for Volume 13 publication. Designed and constructed Volume 12 launch event exhibition installation with 6 students.
